

MD. Fahim Patowry

Full Stack Developer

Dynamic and motivated, I bring over 2.6 years of solid industry experience. My journey began in Front-End development. Over the past 0.6 years, I've immersed myself in Back-End using .Net, significantly enhancing my expertise. I have a strong background in Front-End development, Back-End(.Net), object-oriented programming and UI/UX design. My greatest strengths lie in my ability to solve complex problems quickly and effectively.
